

Rainbow Room Wish List

What is the Rainbow Room?

The RAINBOW ROOM is located in the Conroe CPS offices and is maintained by the volunteers of Community Partners of Montgomery County.

The RAINBOW ROOM is stocked with only new items, such as clothing, diapers, formula, hygiene products, lice shampoo, cleaning supplies and food. Toys, books, car seats, backpacks and portable beds are also available. In addition to the RAINBOW ROOM at the CPS offices, inventory is also stored in nearby offsite storage units so that items can be quickly replenished. Caseworkers have access to the RAINBOW ROOM around the clock and they complete inventory control sheets for items given to or used for the benefit of their clients.
